Filed from: Crown Watchpoint 001A, Corvallis, Oregon

Dated: 5 August 2025

To whom it may concern,

This letter serves as a formal declaration and diplomatic notice of the lawful and spiritual restoration of the Kalapula Nation, centered in Corvallis, Oregon, and the assumption of the national chieftainship by:

King Daniel Jacob Read IV

Chief of the Restored Kalapula Nation

Sovereign of the Kingdom of Mythelinia

As no recognized tribal body, individual, or official structure has represented the Kalapula name, identity, or sovereign presence in modern ceremonial, diplomatic, or territorial form, I have, with full peace and public record, undertaken the restoration of:

- The Kalapula Nation name and identity
- Its cultural continuity and ceremonial right of return
- Its sovereign expression in land, scroll, and voice

This act has been recorded publicly and peacefully. No harm has been caused, nor rights infringed. This nation has been built in remembrance of the erased and in peace toward all.

A full Scroll of Founding Chieftainship has been filed and timestamped. A sovereign hotline and national watchpoint have been established. No person, agency, or council has previously stood for the Kalapula people in this generation.

Thus, let it be known:
